

Fusce porttitor turpis quis urna molestie cons equat. Nam felis purus, tincidunt sed dapibus ugravida fusce et magna libero.

## A 3D architectural rendering of a modern house. The house features a two-story design. The upper story is constructed from light-colored, rough-hewn stone and has a steep, dark grey gabled roof. The lower story is a more prominent, rectangular volume made of large, dark grey, rectangular blocks or panels. It has large, floor-to-ceiling glass windows and doors. The house is built on a green, sloping hillside. A paved driveway or parking area is visible in the foreground. In the background, there are more green hills and a few trees under a blue sky with scattered white clouds.

Rénovation complète des façades principales, extensions magnifiques.

Restauration d'une ferme à colombages du 16e s. en deux habitations.

## Transformation d'un immeuble en deux logements.
